

REMARKS

This preliminary amendment is presented to place the application in better form for examination. Early examination and favorable consideration of the above-identified application is earnestly solicited.

In the translation from the German language specification the word "entrained" was incorrectly translated as "fluidized." Therefore, the word "entrained" has been globally substituted throughout the application. No new matter has been added.

Any additional fees or charges required at this time in connection with the application may be charged to our Patent and Trademark Office Deposit Account No. 03-2412.

Respectfully submitted,

COHEN, PONTANI, LIEBERMAN & PAVANE
